

Penumarthi Navya Sree Ram Kumar Chowdary

Rajahmundry, AP | 91+ 8074288868 | penumarthi.navyasreeramkumar.chowdary@outlook.com | [Portfolio](#)

EDUCATION

IIIT Raichur

Bachelor of Technology
Major in Computer Science
Cumulative GPA: 7.8

Raichur, Karnataka
Expected May 2026

Relevant Coursework: Artificial Intelligence; Machine Learning; Generative AI; Reinforcement Learning;

WORK EXPERIENCE

Franklin Templeton Technologies

AI-ML Intern

Hyderabad, TG
May 2025 – Nov 2025

- Built GCSR AI dashboards with ML forecasting, automated report generation, and data management for the PDS team to drive financial insights.
- Applied Generative AI to summarize enterprise financial reports, accelerating executive decision workflows.
- Applied Generative AI to summarize enterprise financial reports, accelerating executive decision workflows.

Bosch (MoU Collaboration with IIIT Raichur)

GenAI Intern

Bengaluru, KA
May 2024 – May 2025

- Created an internal LLM-based Vehicle Assistance Chatbot with document retrieval
- Fine-tuned models for automotive diagnostics, reducing support load by 50%
- Implemented secure RAG pipelines integrating Bosch internal knowledge bases

UNIVERSITY PROJECTS

Agentic AI Resume Reviewer & Regenerator

Jun 2025

- Built an Agent-based system that evaluates resumes, generates improved versions, and tailors them to target job descriptions
- Developed using Python, LangChain, Transformers, FastAPI, OpenAI/LLAMA models
- Designed RAG-based skill inference and ATS scoring logic, improving recommendation accuracy for freshers

Enterprise GenAI Support Chatbot- Academic Project

Jan 2025

- Built a GenAI Support Chatbot using LLMs with RAG (LangChain + FAISS) for accurate document-based responses
- Implemented multi-turn reasoning, conversation memory, and secure role-based access
- Deployed via FastAPI + Docker for scalable internal use

ACTIVITIES

NSS, IIIT Raichur

Head of club

Raichur, Karnataka
2023 – 2025

- Led social development initiatives and technical awareness events impacting 600+ students across Raichur

EBSB (Ek Bharat Shreshtha Bharat Club), IIIT Raichur

Head of club

Raichur, Karnataka
2023 – 2025

- Coordinated cultural exchange events promoting national integration across institutes and students
- Managed inter-state collaborations and student participation initiatives

TECHNICAL SKILLS

Programming: Python, Java, C, C++; SQL

Tools & Technologies: LangChain, HuggingFace, FastAPI, Git, Docker, Power BI

Libraries/Frameworks: TensorFlow, PyTorch, scikit-learn, OpenCV, spaCy

Areas: Generative AI, Agentic AI Systems, Deep Learning, NLP, Computer Vision, RAG Systems, Data Engineering
